V1: I'm a lit-tle scien-tist in my lab. Pour-ing pour-ing liq - uid right then left.
V2: I'm a lit-tle scien-tist in my lab. Mix-ing, mix-ing new stuff right then left.
V3: I'm a lit-tle scien-tist in my lab. Grow-ing, grow-ing ti - ny things in there.

Pop, pop, pop, pop! Bub - bles eve-ry-where. Ka - boom! Ex-plo-sion! I must take care.
Squirt, squirt, squirt, squirt! Drop - lets eve-ry-where. Ka - boom! Ex-plo-sion! I must take care.
Zoom, zoom, zoom, zoom! Mic-robes eve-ry-where. Ka - boom! Ex-plo-sion! Let's try a - gain.

Boom, boom, boom, boom, boom, boom, boom, boom, boom, Boom, Boom, Boom, Boom.

Think, think, think, with my brain, brain, brain. Think, think, think with my brain, brain, brain.

V4: I'm a lit-tle scien-tist in my lab. Think-ing, think-ing ways to work it out.

Yes, yes, yes, yes! Got it fig-ured out. Hoo - ray! A break-through! Let's cel - e - brate!
